

From cribs to college, we serve kids in foster care. We have a wide range of needs, and accept donations in many forms! For more ways to help, visit: jamesstorehouse.org/get-involved

BED AND BATH STARTER KITS

When children are reunited with a parent or when an aged out youth is setting up their first apartment, they often start with little to no belongings. To ease their transition, we provide Bed and Bath Starter Kits. These items can easily be purchased at a Dollar Tree or a discount store like Tuesday Morning. It's difficult for youth to start out on their own without the support and love of a family, but these kits are a huge encouragement to the recipient and help them launch successfully to independence! Everything should fit neatly inside a laundry basket.

For more details, please visit jamesstorehouse.org/bedbath-starter-kits
